

**Department of Agronomy and Horticulture
2024 Staff Professional Development Proposal**

The Department of Agronomy and Horticulture is providing professional development funding of up to \$500 for staff in FY2024-25.

This professional development funding is available to any permanent department staff person with 0.5 FTE or more.

Proposals should be made for a specific event or training and submitted to the SAC Chair, Frank Bright. The application period is from May 10 to June 10, 2024, and proposals must be e-mailed to frank.bright@unl.edu.

Successful proposals will be notified by the SAC Chair after June 10.
