Working with the buffalograss research program has given me an insight into the future of turfgrass management and what is being developed. I have had the opportunity to apply my knowledge of managing turfgrasses and learn new techniques while working in the greenhouse.

JACOB FUEHRER

Turfgrass & Landscape Management

Golf courses, private and public gardens, streetscapes and commercial buildings, sports fields, parks—diverse landscapes surround and support us. As a turfgrass and landscape management professional, you will blend your knowledge of turf, ornamental plants, soils and hardscapes to create, plant, build or manage landscapes that enhance and sustain our quality of life. Start your career now with a degree in Turfgrass & Landscape Management.

$16,400 in scholarships awarded to turfgrass & landscape management students in 2016–2017
