UNL EDUCATION ABROAD
THINK OF THE STORIES YOU’LL TELL
LOCATION HIGHLIGHTS:
Ethiopia, a landlocked country with rugged terrain, is located in the Horn of Africa and is split by the Great Rift Valley. Through the CASNR International Agriculture program, students will have the opportunity to experience the unique cultural heritage and rich sovereign history of Ethiopia while researching the diverse geographical landscapes.

PROGRAM FEATURES:
- Gain research experience through participating in an ongoing research project led by UNL and Ethiopian university faculty.
- Network with and work alongside Ethiopian university students.
- Explore first-hand the various challenges related to agricultural production in two regions of Ethiopia.
- Earn three credit hours over UNL’s winter break!

EARN UNL CREDITS:
AGRI 310 Study Tours in International Agriculture (ACE 10)

Program Term: Winter Break 2015
