Online education isn’t taxing—We’re here to help

Sandall will provide an overview of the current activities in the online education program in the Department of Agronomy and Horticulture and ways to participate in developing online learning materials. She will share examples of collaborations between research, teaching and extension faculty to create online learning opportunities for students.

FRIDAY
April 15, 2016
3:30 pm
Keim Hall, Room 150
Refreshments served at 3 pm

Presented by
Leah Sandall
Assistant Professor of Practice, Distance Education Coordinator, UNL Agronomy and Horticulture
