

# UNDERGRADUATE STUDENT SUCCESS APPENDIX 5

## First to second year retention for students by major\* (predates PLAS).

Values represent the percent of first-time freshmen students who stayed in a CASNR major\*\*.

	Percent of Cohort				
	2017	2018	2019	2020	2021
<b>AGRO</b>	85.7	75.0	89.5	87.5	82.4
<b>HORT</b>	40.0	60.0	57.1	60.0	61.5
<b>PBIO</b>	80.0	66.7	100.0	50.0	
<b>TLMT</b>		100.0	75.0	75.0	100.0

\*Majors in the Department of Agronomy & Horticulture included AGRO (Agronomy), HORT (Horticulture), PBIO (Plant Biology), and TLMT (Turfgrass and Landscape Management).

\*\*Students retained in CASNR (College of Agricultural Science and Natural Resources), but not necessarily still in their original major of agronomy, horticulture, plant biology, or turfgrass and landscape management. Additional students retained at UNL but not within CASNR.
