

# N GROW YOUR STORY AT NEBRASKA

Working with the buffalograss research program has given me an insight into the future of turfgrass management and what is being developed. I have had the opportunity to apply my knowledge of managing turfgrasses and learn new techniques while working in the greenhouse.

**ANDREW GETTY** HOMETOWN: MITCHELL, SOUTH DAKOTA, GRADUATES DEC 2017

Being a student at the University of Nebraska–Lincoln and involved in the Turf Club has allowed me to form a network with turfgrass professionals across the nation. Through internships and by attending national conferences, I have been able to meet and work with some of the top individuals in the industry.
