

The Libault Lab (<https://libaultlab.unl.edu/>) is seeking an enthusiastic, punctual and independent undergraduate student worker for assistance with plant care, lab duties, and solutions preparation (simple and complex). The student will work with multiple plant species like soybean, medicago or common bean. The undergraduate student is expected to work 15-20 hours per week. To apply, please submit your resume and cover letter to Dr. Lise Pingault (lise.pingault@unl.edu) and Dr. Prince Zogli (pzogli2@unl.edu).
