THE RWANDA INSTITUTE FOR CONSERVATION AGRICULTURE (RICA) CURRICULUM UPDATE

Presented by
JOSEPH DAUER
Assistant Professor of Life Science Education
School of Natural Resources, University of Nebraska–Lincoln

Fall 2018 Agronomy and Horticulture Seminar Series

For the past year, a committee of faculty has been working to develop a curriculum for the new Rwanda Institute for Conservation Agriculture (RICA). Dauer will provide an update on progress toward integrating conservation agriculture, One Health, communication and entrepreneurship in an experiential education setting.

FRIDAY
November 30
3:30 pm
Refreshments served at 3pm
Room 150, Keim Hall, East Campus
University of Nebraska–Lincoln
