

EDITA ŠTEFANIĆ, Ph.D.
Associate Professor of Practice
Agronomy & Horticulture
PLSH 368
IANR NE 68583-0915

Phone: 402-472-2811 On-campus 2-2811

E-mail: estefanic2@unl.edu

Education:

(1991- 1996) Ph.D. University J.J: Strossmayer, Faculty of Agriculture, 1996 Major: Plant Medicine
(1986 – 1990) M.S. University in Novi Sad, Faculty of Natural Science, 1990. Major: Plant Taxonomy
(1982-1986) B.S. University J.J: Strossmayer, Faculty of Agriculture, 1986. Major: Crop Science

Professional Experience:

From 2025: Associate Professor of Practice, University of Nebraska Lincoln, Department of Agronomy and Horticulture; Teaching and research in the field of Botany and Plant Ecology

From 2007- 2025: Full Professor, Dept. of Plant Protection, Faculty of Agriculture in Osijek; Teaching and research in the field of Weed Science and Plant Ecology

From 2003 to 2007: Associate Professor, Dept. of Plant Protection, Faculty of Agriculture in Osijek; Teaching and research in the field of Weed Science and Plant Ecology

From 1997 to 2003: Assistant Professor, Dept. of Plant Protection, Faculty of Agriculture in Osijek; Teaching and research in the field of Agricultural Botany and Plant Ecology

From 1990 to 1997: Assistant, Dept. of Plant Protection, Faculty of Agriculture in Osijek; Teaching and research in the field of Applied Botany and Plant Taxonomy

From 1986 to 1990: Department member, Dept. of Plant Protection, Faculty of Agriculture in Osijek;

International experience:

2019/20. Fulbright Schuman scholarship, North Carolina State University, Raleigh, NC, USA – *Weed Science*

2015/16. Visiting professor – University of Minnesota, St. Paul, MN, USA- *Weed Science*

2013. USDA – Cochran fellowship, Plant protection, University of Minnesota, St. Paul, USA – *Plant Protection*

2012. TEMPUS mobility- Universita degli studi di Bari, Italy - *Integrated pest management*

2012. ERASMUS mobility – Agricultural University of Athens, Greece – *Use of GIS in vegetation analysis*

2006. International Aerobiology Association – Meteo-Swiss – Val de Nandez, Switzerland – *Allergic pollen and spore dispersion*

2005. TEMPUS mobility – BOKU, Wien, Austria – *Plant biology*

2004. TEMPUS mobility – University Hohenheim, Germany – *Biology and ecology of weeds*

2003. International Aerobiology Association – Adam Miklevich University, Poznan, Poland – *Determination of Allergenic Pollen and Spore*

2001. International Aerobiology Association – Faculty of Agronomy, Perugia, Italy– *Methodology for Monitoring of Allergic Pollen and Spore*

1995/96. Fulbright scholarship, North Carolina State University, Raleigh, NC, USA – *Weed Science*

1995. Fulbright grant, University of Columbia, Columbia SC, USA – *Academic skills*

1993/94. BOKU, Wien, Austria – *Biology and ecology of weeds*

1992. TEMPUS – Universites Catolique de Louvain, Louvain la Neuve, Belgium – *Plant ecology*

Projects:

Project leader:

2010. - 2013. Tempus Project N. 158875-TEMPUS-1-2009-1-IT-TEMPUS-JPCR “International Joint Master Degree in Plant Medicine” – coordinator for J.J. Strossmayer University

2007. - 2014. "Monitoring of aeroallergens and model of sustainable management of allergenic plants" (079-2192374-0261 financed by Ministry of science and technology RH)– project leader

2004. - 2007. "Production of milk thistle (*Silybum marianum*) for the need of pharmaceutical companies" (financed by Ministry of agriculture and forestry RH) – project leader

2007. - 2008. "Preparation of cadaster for honeybee plants in Baranja region" (financed by Osijek-Baranja County) – project leader

2001. - 2004. "Introduction and production of pyrethrum (*Tanacetum cinerariifolium*) for world market" (III-1-12/00 financed by Ministry of agriculture and forestry RH) – project leader

2002. - 2006. "Monitoring of aeroallergen pollen and airborne spore in RH" – (0079039 financed by Ministry of science and technology RH) - project leader

2001. – 2002. "Sustainable strategies for control of allergenic plants" (079998 financed by Ministry of science and technology RH) - project leader

1998. – 2002. "Perennial weed management in vegetables" (ALIS 046 – bilateral cooperation between UK and Croatia) – project leader

Project associate:

2023-2028. – Life SAP-NAT-NATURE (Nature & Biodiversity-Standard Action Projects (SAP)

2014.-2020. "ROSIS4H" – IPA Cross-border Co-operation programme Croatia-Serbia; EU Funds

2014.-2019. "STRONGER" – Interreg IPA CBC cooperation Programme Croatia – Bosnia and Herzegovina – EU Funds

Invited lectures:

1. Stefanic, E.: „Invasive plants – what should we need to know about them? “Interaction of Natural and Social Process in Shallow Lake Areas, Nov. 6-7th 2014.Kaposvar, Hungary
2. Stefanic, E.: „Ragweed in Europe “Workshop on Invasive species in shallow lake and wetland areas, Nov. 5th 2014. Kaposvar, Hungary
3. Stefanic, E.: „Impact of ragweed in Croatia “Symposium on ragweed –Oct. 6th 2008. Brussel
4. Stefanic, E. „Situation and solutions referring to Agriculture and Healthcare in Croatia “Ragweed – ein eingeschlepptesbrisantes Gewasches wird vom regionalen zum osterreichweiten Problem, St Poelten, Austria, March, 10th 2009.
5. Stefanic, E. „Impact of *Ambrosia artemisiifolia* as a crop and environmental weed “Towards sustainable management of *Ambrosia artemisiifolia* in Europe”, CABI Europe, Switzerland, Delemont, Dec. 7th 2009.
6. Stefanic, E. „Ragweed in Croatia – agricultural and public health problem “. 1st International Ragweed Conference, Sept, 10- 13th 2008. Budapest

Teaching:

PLAS 278 Botany

PLAS 325 Introductory Plant Physiology

NRES 220 Principles of Ecology

NRES 222 Ecology Laboratory

Mentoring and serving in committee

PhD – mentor of 5 PhD thesis, 3 PhD thesis in progress; serve in committee of 2 PhD thesis

MSc – mentor of 56 graduate thesis; serve in many committee

BSc – mentor of 48 thesis; serve in many committee

Membership:

EWRS (European Weed Research Society) – member

WSSA (Weed Science Society of America) - member

IAA (International Aerobiology Association) - member

HDBZ (Croatian Association of Plant Protection) - member

Honors and Awards:

- 2010.** BRUSSEL, EU – Ambassador of “The European Network of Female Entrepreneurship Ambassadors”
- 2009.** LONDON, UK – gold medal for invention („Weeding equipment with active tools“)
- 2008.** INPEX, Pittsburg, USA - silver medal for invention („Botanicals with low pyrethrum content for keeping insects under control“)
- 2005.** IENA Nurnberg, Germany – silver medal for invention („Shampoo against louses with herb extracts of the dalmatian insect flower (Tanacetum cinerariifolium), lavender and chamomile“)

Organizational skills and competencies:

- Organizer of EWERS workshop “Economics of Weed Control: principles and practice” (Dubrovnik, May 16-17, 2019.)
- Co-organizer of Study tour to North Carolina State University for the students of J.J. Strossmayer University (Oct. 2012.)
- Organizer of international training „Weed management and control“ (Osijek, May, 7th to 11th 2011.)
- Organizer of 2nd International Symposium “Intractable weeds and plant invaders” (Osijek, Sept. 14-18th 2008)

Social skills and competencies:

- Member of Lions Clubs International (District 126 Croatia, LC „Kuna “Osijek)
- **2012. - 2014.** - Prepared and lead project „Outdoor hospital – a special place for children with asthma and breathing disorders“ (LCIF Standard Grant 11922/126 – total amount of US\$ 86,400)

List of publication: Edita Štefanić (born: Baketa):
